- i. To assess the results of the open morning held in Brook Street Saturday 22nd June.
A stall on Brook Street which a few attended with a generally upbeat attitude. Bowls and Players would definitely be interested in how the hall is being designed. Fundraising ideas could include sponsoring a brick/slate. Thanks to all those who attended on Saturday to man the stall. It was worthwhile just to tell people that the site now belongs to the Council. Publicity is the key. Cllr. Fouracres stated that on funding the Council have the powers to borrow monies.
- ii. Cllr. White to report on the old cars on the site. Postponed. The site edging could be improved but this cannot be done until 1st September. Design a sign/banner to be put onto the site. Wording agreed.
- iii. Quotes for an architect to draw up some basic conceptual plans to start with. Cllr. White. Hannah Cameron/XL Planning for architectural and planning costs. Consider a third and even a fourth quote should be sourced.
- iv. Any other outcomes from the Saturday – to agree actions. Have another stall possibly in September together with some conceptual plans. Invest in some display boards that are full height.
