

Bampton Town Council – Bampton Fair Committee

DRAFT MINUTES

The minutes of a meeting of the Bampton Fair Committee on Monday 22nd September 2025 at 6.00 pm via Teams.

Present: Cllr R White (Chair), Cllr R Brooker, Cllr S Fouracres, Cllr L Bull and Cllr N Bull.

- 1) **Apologies.** Cllr B Boyles and Cllr R Grabke. As this meeting was called to make a financial decision it was for councillors only.
- 2) **Declarations Of Interest.** None.
- 3) **To agree to pay for a firework display.** Cllr White had been able to get one quote from a local company for a firework display on the evening of the fair. The quote is for a 5 minute display which will start quieter and ramp up. Animals then become aware it is happening. Firing will be from a site on the Motte and Bailey and will be viewable in the town.
Three marshalls will be required during firing to prevent anyone getting into the firing site. Putting on this display should keep people around for the stall holders. Evening events are being created.
It was agreed to accept the quote of £1,500 + VAT. A 25% deposit is required with the booking.
- 4) **Other information.** Cllr Fouracres has taken on the responsibility for stewarding and this will be added to the website, signposting volunteers to him. Raynet will cover stewarding from 6pm onwards which will take the pressure off the Bampton Town Council team.
Signs have been ordered from Ken White Signs.
The loos need to be moved from outside of the Toucan and suggestions of where they could be moved to were asked for.

Signed:
Chair
